

Hardingstone Day Nursery

Little Ladybirds

Please could you ensure your child's nails are kept short. We do appreciate that this is easier said than done however we're having quite a few scratch accidents so would appreciate it if you would give it a go.

A gentle reminder that earrings are not allowed to be worn in the setting.

Please could you ensure you're providing one sterilised bottle per feed if your child is still having them. So e.g. your child needs 3 feeds there should be 3 bottles in their bag.

Happy Hedgehogs

We are arranging parent's meetings regarding children's development including 2 year progress review over the next 4 weeks. Parents will have the opportunity to discuss their individual child's development with their key person. Dates and times will follow.

We would like you to please bring in some photos of your child's special people (for example... Grandparents, parents, siblings, cousins, pets etc) which could include your child in the photo/s too.

We will be using these to create photo books for your child and other children to look at whilst here at nursery. The children are very keen to share their experiences with one another.

Busy Bees

This week we have implemented a kitchen role play into our busy bee room, as the children had lots of discussion about cake making, following our royal wedding celebration. The children have enjoyed self-selecting their own tools and play materials from the baskets to add into the area. We have some children who are already big siblings and have a handful of children who are going to become big siblings soon so we have also added some babies into this area and have been speaking about all of the responsibilities that come with babies such as feeding, nappy changes and of course lots of gentle cuddles!

Wise Owls

The children have loved exploring our princesses and pirate's theme around the room. They have also loved learning about the royal wedding and dressing up as they pretend to get married and writing wedding invitations to their friends.

Please see on the door for parent's evenings time slots and dates.

If you have any hairdresser accessories you would like to donate we would be very grateful this could be shampoo bottles hair brushes ect.

Please remember we will be starting our fun PE activities after half term on Thursday mornings. Please could you provide your child with a named PE kit

All groups

Thank you to all the families that were able to attend our Royal Wedding party, it was a lovely celebration, which the children have enjoyed continuing with this week.

As you all are hopefully aware, the nursery was inspected by Ofsted on Monday, following notification on Friday lunch time.

Sadly, we are not able to share the outcome with you until the report is published, however we are looking forward to doing so. It usually takes up to a month from the date of the inspection for the report to be published. If you would like to find out more about how inspections are carried out, please refer to the attached document 'Early Years Inspection Handbook'.

Please, if you haven't already, can you return your child detail form. Another copy has been attached to this e-mail. All current saved e-mails with by removed after today and re-entered from the new child detail forms.
